EDUCATION

BCA [Data Science]
GLA University
2023 - 2026
Mathura, UP

SKILLS

MERN STACK
Next js
Python
Java with DSA
Basic Machine Learning

HOBBIES

Physical Activities
Meditation
Exploring New Things
Photography
Video Editing

Profile

"I am currently pursuing a Bachelor's degree in Computer Applications with a specialization in Data Science. I have proficiency in the MERN Stack and Next.js, along with a strong command of Python, Java, and Data Structures & Algorithms. I continuously seek new challenges and learn quickly, which enhances my coding capabilities. My diverse interests and knowledge in fields such as sports, games, movies, and technology, along with my extensive reading and podcast listening, provide me with varied insights and fresh perspectives."

EXPERIENCE

Projects

- ChalChitra
- Jarvis

Extra Curricular Activities

- 3rd position in an Ideathon for sharing a business idea on tourism
- Teaching coding to many students
- Digital Wedding Card Creation
